To express interest in these positions please click on the link above . Once directed please follow instructions on how to apply or use the reference announcement numbers when searching via USAJobs.

These positions are open for 7 DAYS ONLY from January 17 2017 – January 23, 2017

1. Only on-line applications are accepted through www.usajob.gov

2. Go to <https://www.usajobs.gov>

- Enter the vacancy announcement number into the entry field located mid-page entitled: "Keyword"
- Click "Search" button after entering location of choice.
- Located within the box to the left entitled: "Who May Apply:" click on the circle to the left of "Federal Employees". This will cause the merit vacancy announcement to appear in the list of results.

2. New applicants must create a new profile within USAJOBS. Create a profile and set up your resume. Applicants need to read the vacancy announcement thoroughly for specific information about the job requirements and follow the instructions on how to apply.

Forest Service Employees interested in applying to positions under Temporary Non-Fire Hire will be utilizing eRecruit through USAJOBS. Forest Service employees applying to any Regional announcement must have a USAJOBS profile created before applying for a position in eRecruit. Information entered into the USAJOBS profile will carry over to eRecruit and avoid duplicate data entry. Additional information on eRecruit or USAJOBS can be found by going to <http://fsweb.asc.fs.fed.us/hrm/erecruit/> and www.usajobs.gov

Failure to provide the requisite documentation could result in disqualification.

Guidelines on job applications in USAJOBS
